ANTONIO GALLONI - VINOUS
WINE & SPIRITS

If you like old-vine Grenache from South Australia, check out this Grenache/Syrah blend; Angela Osborne sourced it from four sites farmed by Ruben Solorzano (which is to say, it comes from a sort of Santa Barbara Grenache dream team). It has a rich, umami-laden red-cherry flavor that hints at smoked meat, and great textural appeal, fleshy and fresh at once.
