2019 ESTATE WHITE

THE WINE

Our 2019 Estate White was grown in the beautiful plains of our Folded Hills estate. Winemaker Angela Osborne works with grower Ruben Solorzano to choose the optimum picking times to capture both freshness and flavor and then makes the wine in an honest and time-honored way.

We've bottled the 2019 Estate White as a celebration of the freshness and rich history of our Folded Hills. We call this bottle the "engagement bottle". The image on the label is the engagement photo of Lacey and Charlie, Kim and Andy's daughter and son-in-law. It strikes an exquisite balance of beautiful flavor and a palate stimulating finish, making it the perfect wine to complement a meal. Enjoy it alongside a range of dishes, from white fish to summer salads, Pad Thai or grilled chicken.

FOLDED HILLS

In making Folded Hills wines, our goal is to respect the land, and through the wines, express its unique voice. With as little interference as possible, we let the grapes speak for themselves. We strive to craft beautiful wines with a focus on purity and use old-world practices in our certified organic vineyards. We consciously handcraft small-batch artisanal wines, using no commercial additives and the smallest amount of sulfur; just enough to preserve the wine. Folded Hills wines contain no residual sugar and use only native yeasts that occur naturally in the vineyard. It's all part of our promise to make wine in an honest, time-honored way.
